Information and Data Protection Consent Form

To enable us to work with you and on your behalf, we need to get information from you and from others, specifically those organisations who you have agreed to in the Support and Advocacy Consent Form.

The information you provide will assist us in dealing with any issues you raise with us.

Your Personal data will only be processed by Dignity4Patients with your explicit consent. Dignity4Patients are in compliance with the General Data Protection Regulation (GDPR) and ensure that information gathered is used fairly and for the purpose intended.

Dignity4Patients will retain information relating to you on our Case Management System. This system enables us to keep track of our work and the actions taken by us to support you. Your consent to this can be withdrawn at any time.

Please note that in the event that the services of Dignity4Patients ceases to operate as a result of a loss of state funding, we will ensure that your personal data is securely transferred to the new service provider in a timely and compliant manner, and that you suffer no loss or discontinuity of service.

In such circumstances, you will be informed prior to any transfer of your data to another organisation and deletion of your personal information may be requested.

I consent to Dignity4Patients collecting, using and storing my personal information to provide me with the service I have requested. (Please Tick Box)
